2. Defendant Cornerstone National Insurance Company (hereinafter "Cornerstone") is an insurance company organized and existing under the laws of the State of Missouri and having its principal place of business in the State of Missouri.

3. At all times relevant hereto, Cade Coon of Coon Insurance Company was acting on behalf of and as agent for Defendant Cornerstone.

4. At all times relevant hereto, Plaintiff owned certain real and personal property located at 301 South 52<sup>nd</sup> First Road, East Prairie, Missouri.

5. In reliance on a prior conversation he had with Cade Coon discussing impending flood insurance coverage, Plaintiff took out a mortgage on the aforementioned property with Focus Bank in East Prairie, Missouri, on or about April 23, 2011.

6. On or about April 27, 2011, Plaintiff applied for a flood loss insurance policy with Defendant Cornerstone through its agent, Cade Coon of Coon Insurance Company.

7. On or about April 27, 2011, in consideration for the aforementioned policy, Plaintiff paid the policy premium of \$3,744.00 to Coon Insurance Company.

8. On April 28, 2011, Coon Insurance Company issued Plaintiff a Declaration of Coverage for flood loss protection on the aforementioned property with Defendant Cornerstone, Policy Number 87-0479332-2011, thereby giving Plaintiff an insurable interest in said property. A copy of the policy and Declaration Sheets are attached hereto as "Exhibit A."

9. The aforementioned policy was in full force and effect from April 28, 2011 through April 28, 2012.

10. On or about May 4, 2011, the aforementioned real and personal property was destroyed by flood.

11. On or about May 7, 2011, Plaintiff complied with all conditions precedent to recovery under the policy and sought the benefits of coverage provided under said policy.

12. By letter dated July 26, 2011, Defendant Cornerstone denied Plaintiff's claim under the aforementioned policy on grounds that the flood which destroyed Plaintiff's property was "in

progress" as of May 22, 2011, thereby relieving Defendant from any liability for payment of the benefits owed under the policy.

COUNT I

BREACH OF CONTRACT

Comes now Plaintiff McIvan Jones and for Count I of his cause of action against Defendant Cornerstone National Insurance Company, alleges as follows:

13. Plaintiff realleges Paragraphs 1 through 12 of his Petition as if set forth fully herein.

14. On April 28, 2011, Plaintiff and Defendant Cornerstone entered a contract whereby Defendant Cornerstone agreed to insure Plaintiff against property damage caused by flood.

15. Plaintiff paid Coon Insurance Company a check for the policy premium in the amount of \$3,744.00, which was accepted by Defendant as consideration for coverage.

16. Said policy was in effect on the date of the aforementioned flood loss.

17. Defendant Cornerstone has breached its contract with Plaintiff by failing to make any payment under the flood loss policy issued to Plaintiff.

WHEREFORE, Plaintiff prays for judgment on Count I against Defendant Cornerstone National Insurance Company for the policy limits of the aforementioned policy in the amount of Three Hundred Eighty-Eight Thousand Dollars (\$388,000.00), as the trier of fact deems fair and reasonable, for his costs herein expended and for

such other and further relief as to the Court seems just and proper.

COUNT II

VEXATIOUS REFUSAL TO PAY

Comes now Plaintiff McIvan Jones and for Count II of his cause of action against Defendant Cornerstone National Insurance Company, alleges as follows:

18. Plaintiff realleges Paragraphs 1 through 12 of his Petition as if set forth fully herein.

19. On or about April 28, 2011, Defendant Cornerstone, by and through the acts of its agent, Cade Coon of Coon Insurance Company, agreed to insure Plaintiff's real and personal property against flood loss.

20. Subsequently, Plaintiff's insured property was destroyed by flood on May 4, 2011.

21. Plaintiff complied with all conditions precedent and timely notified Defendant Cornerstone of the property loss on May 7, 2011.

22. Plaintiff was notified by letter dated July 26, 2011 of Defendant Cornerstone's refusal to pay Plaintiff the benefits of the policy.

23. Defendant Cornerstone's denial of Plaintiff's claim for benefits under the policy are unreasonable and vexatious, as defined by Section 375.296 RSMo., because the flood which destroyed Plaintiff's property was not in progress at the time the policy was purchased.

WHEREFORE, Plaintiff prays for judgment on Count II against Defendant Cornerstone National Insurance Company in the amount provided by statute for attorney's fees and for pre-judgment interest from and after July 26, 2011, and for such other and further relief as to the Court seems just and proper.

COUNT III

NEGLIGENT MISREPRESENTATION

Comes now Plaintiff McIvan Jones and for Count III of his cause of action against Defendant Cornerstone National Insurance Company, alleges as follows:

24. Plaintiff realleges Paragraphs 1 through 12 of his Petition as if set forth fully herein.

25. At the time Plaintiff purchased the policy at issue herein, Defendant's agent, Cade Coon, represented to Plaintiff that his property would be covered for flood damage from and after the effective date of the policy, to-wit: April 28, 2011.

26. The representation described in the foregoing paragraph was false.

27. At the time said representation was made Defendant's agent, Cade Coon, knew said representation was false or did not know if the representation was true or false.

28. The representation was material to the purchase of the insurance policy by Plaintiff.

29. Plaintiff relied on the representation in making his decision to purchase the insurance and in so relying Plaintiff used

that degree of care that would have been reasonable in Plaintiff's situation.

30. Plaintiff further relied upon such representation when executing a mortgage and incurring indebtedness on the affected property in favor of Focus Bank.

31. As a direct result of the representation made by Defendant's agent, Plaintiff sustained damage.

WHEREFORE, Plaintiff prays for judgment on Count III against Defendant Cornerstone National Insurance Company in such an amount in excess of Twenty-Five Thousand Dollars (\$25,000.00), for his costs incurred herein and for such other and further relief as to the Court seems just and proper.

Respectfully submitted,

COOK, BARKETT, PONDER AND WOLZ, L.C.

### CLAIM GUIDELINES IN CASE OF A FLOOD

For the protection of you and your family, the following claim guidelines are provided by the National Flood Insurance Program (NFIP). If you are ever in doubt as to what action is needed, consult your insurance representative.

Know your insurance representative's name and telephone number. List them here for fast reference:

Insurance Representative \_\_\_\_\_

Representative's Phone Number \_\_\_\_\_

If you cannot reach your agent, report your claim directly by calling the NFS Claims Department at 1-800-759-8656.

- Notify your insurance representative, in writing, as soon as possible after the flood.
- Determine the independent claims adjuster assigned to your claim and contact him or her if you have not been contacted within 24 hours after you reported the claim to your insurance representative.
- As soon as possible, separate damaged property from undamaged property so that damage can be inspected and evaluated.
- Discuss with the claims adjuster any need you may have for an advance or partial payment for your loss.
- To help the claims adjuster, try to take photographs of the outside of the premises showing the flooding and the damage and photographs of the inside of the premises showing the height of the water and the damaged property.
- Place all account books, financial records, receipts, and other loss verification material in a safe place for examination and evaluation by the claims adjuster.
- Work cooperatively and promptly with the claims adjuster to determine and document all claim items. Be prepared to advise the claims adjuster of the cause and responsible party(ies), if the flooding resulted from other than natural cause.
- Make sure that the claims adjuster fully explains, and that you fully understand, all allowances and procedures for processing claim payments on the basis of your proof of loss. This policy requires you to send us detailed proof of loss within 60 days after the loss.
- Any and all coverage problems and claim allowance restrictions must be communicated directly from the Company. Claims adjusters are not authorized to approve or deny claims; their job is to report to the Company on the elements of flood cause and damage.

At our option, we may accept an adjuster's report of the loss instead of your proof of loss. The adjuster's report will include information about your loss and the damages to your insured property. You must sign the adjuster's report. At our option, we may require you to swear to the report.

AND
  2. EXCEPT FOR PERSONAL PROPERTY COVERAGE, FOR A UNIT IN A CONDOMINIUM BUILDING.
-

## I. AGREEMENT

The Company provides flood insurance under the terms of the National Flood Insurance Act of 1968 and its amendments, and Title 44 of the Code of Federal Regulations (CFR).

We will pay you for direct physical loss by or from flood to your insured property if you:

1. Have paid the correct premium;
2. Comply with all terms and conditions of this policy; and
3. Have furnished accurate information and statements.

We have the right to review the information you give us at any time and to revise your policy based on our review.

## II. DEFINITIONS

- A. In this policy, "you" and "your" refer to the insured(s) shown on the Declarations Page of this policy. "Insured(s)" includes: Any mortgagee and loss payee named in the Application and Declarations Page, as well as any other mortgagee or loss payee determined to exist at the time of loss in the order of precedence. "We," "us," and "our" refer to the insurer.

Some definitions are complex because they are provided as they appear in the law or regulations, or result from court cases. The precise definitions are intended to protect you.

Flood, as used in this flood insurance policy, means:

1. A general and temporary condition of partial or complete inundation of two or more acres of normally dry land area or of two or more properties (at least one of which is your property) from:
    - a. Overflow of inland or tidal waters;
    - b. Unusual and rapid accumulation or runoff of surface waters from any source;
    - c. Mudflow.
  2. Collapse or subsidence of land along the shore of a lake or similar body of water as a result of erosion or undermining caused by waves or currents of water exceeding anticipated cyclical levels that result in a flood as defined in A.1.a. above.
- B. The following are the other key definitions that we use in this policy:
1. Act. The National Flood Insurance Act of 1968 and any amendments to it.
  2. Actual Cash Value. The cost to replace an insured item of property at the time of loss, less the value of its physical depreciation.
  3. Application. The statement made and signed by you or your agent in applying for this policy. The application gives information we use to determine the eligibility of the risk, the kind of policy to be issued, and the correct premium payment. The application is part of this flood insurance policy. For us to issue you a policy, the correct premium payment must accompany the application.
  4. Base Flood. A flood having a one percent chance of being equaled or exceeded in any given year.
  5. Basement. Any area of the building, including any sunken room or sunken portion of a room, having its floor below ground level (subgrade) on all sides.
  6. Building.
    - a. A structure with two or more outside rigid walls and a fully secured roof, that is affixed to a permanent site;
    - b. A manufactured home (a "manufactured home," also known as a mobile home, is a structure built on a permanent chassis, transported to its site in one or more sections, and affixed to a permanent foundation); or
    - c. A travel trailer without wheels, built on a chassis and affixed to a permanent foundation, that is regulated under the community's floodplain management and building ordinances or laws.

Building does not mean a gas or liquid storage tank or a recreational vehicle, park trailer, or other similar vehicle, except as described in B.6.c., above.

7. Cancellation. The ending of the insurance coverage provided by this policy before the expiration date.
8. Condominium. That form of ownership of real property in which each unit owner has an undivided interest in common elements.
9. Condominium Association. The entity made up of the unit owners responsible for the maintenance and operation of:
  - a. Common elements owned in undivided shares by unit owners; and
  - b. Other real property in which the unit owners have use rights;

where membership in the entity is a required condition of unit ownership.

10. Declarations Page. A computer-generated summary of information you provided in the application for insurance. The Declarations Page also describes the term of the policy, limits of coverage, and displays the premium and our name. The Declarations Page is a part of this flood insurance policy.
  11. Described Location. The location where the insured building or personal property are found. The described location is shown on the Declarations Page.
  12. Direct Physical Loss By or From Flood. Loss or damage to insured property, directly caused by a flood. There must be evidence of physical changes to the property.
  13. Elevated Building. A building that has no basement and that has its lowest elevated floor raised above ground level by foundation walls, shear walls, posts, piers, pilings, or columns.
  14. Emergency Program. The initial phase of a community's participation in the National Flood Insurance Program. During this phase, only limited amounts of insurance are available under the Act.
  15. Expense Constant. A flat charge you must pay on each new or renewal policy to defray the expenses of the Federal Government related to flood insurance.
  16. Federal Policy Fee. A flat charge you must pay on each new or renewal policy to defray certain administrative expenses incurred in carrying out the National Flood Insurance Program. This fee covers expenses not covered by the expense constant.
  17. Improvements. Fixtures, alterations, installations, or additions comprising a part of the insured building.
  18. Mudflow. A river of liquid and flowing mud on the surfaces of normally dry land areas, as when earth is carried by a current of water. Other earth movements, such as landslide, slope failure, or a saturated soil mass moving by liquidity down a slope, are not mudflows.
  19. National Flood Insurance Program (NFIP). The program of flood insurance coverage and floodplain management administered under the Act and applicable Federal regulations in Title 44 of the Code of Federal Regulations, Subchapter B.
  20. Policy. The entire written contract between you and us. It includes:
    - a. This printed form;
    - b. The application and Declarations Page;
    - c. Any endorsement(s) that may be issued; and
    - d. Any renewal certificate indicating that coverage has been instituted for a new policy and new policy term.
- Only one building, which you specifically described in the application, may be insured under this policy.
21. Pollutants. Substances that include, but are not limited to, any solid, liquid, gaseous, or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals, and waste. "Waste" includes, but is not limited to, materials to be recycled, reconditioned, or reclaimed.

    - b. Rare books or autographed items;
    - c. Jewelry, watches, precious and semiprecious stones, or articles of gold, silver, or platinum;
    - d. Furs or any article containing fur which represents its principal value.
  6. We will pay only for the functional value of antiques.
  7. If you are a tenant, you may apply up to 10 percent of the Coverage B limit to improvements:
    - a. Made a part of the building you occupy; and
    - b. You acquired or made at your expense, even though you cannot

legally remove them.

This coverage does not increase the amount of insurance that applies to insured personal property.

8. If you are a condominium unit owner, you may apply up to 10 percent of the Coverage B limit to cover loss to interior:
  - a. Walls;
  - b. Floors; and
  - c. Ceilings;

that are not covered under a policy issued to the condominium association insuring the condominium building.

This coverage does not increase the amount of insurance that applies to insured personal property.

9. If you are a tenant, personal property must be inside the fully enclosed building.

#### C. COVERAGE C - OTHER COVERAGES

##### 1. Debris Removal

- a. We will pay the expense to remove non-owned debris on or in insured property and owned debris anywhere.
- b. If you or a member of your household perform the removal work, the value of your work will be based on the Federal minimum wage.
- c. This coverage does not increase the Coverage A or Coverage B limit of liability.

##### 2. Loss Avoidance Measures

###### a. Sandbags, Supplies, and Labor

- (1) We will pay up to \$1,000 for the costs you incur to protect the insured building from a flood or imminent danger of flood, for the following:
  - (a) Your reasonable expenses to buy:
    - (i) Sandbags, including sand to fill them;
    - (ii) Fill for temporary levees;
    - (iii) Pumps; and
    - (iv) Plastic sheeting and lumber used in connection with these items; and
  - (b) The value of work, at the Federal minimum wage, that you perform.
- (2) This coverage for Sandbags, Supplies, and Labor only applies if damage to insured property by or from flood is imminent and the threat of flood damage is apparent enough to lead a person of common prudence to anticipate flood damage. One of the following must also occur:
  - (a) A general and temporary condition of flooding in the area near the described location must occur, even if the flood does not reach the insured building; or
  - (b) A legally authorized official must issue an evacuation order or other civil order for the community in which the insured building is located calling for measures to preserve life and property from the peril of flood.

This coverage does not increase the Coverage A or Coverage B limit of liability.

###### b. Property Removed to Safety

- (1) We will pay up to \$1,000 for the reasonable expenses you incur to move insured property to a place other than the described location that contains the property in order to protect it from flood or the imminent danger of flood.

Reasonable expenses include the value of work, at the Federal minimum wage, that you perform.

- (2) If you move insured property to a location other than the described location that contains the property, in order to protect it from flood or the imminent danger of flood, we will cover such property while at that location for a period of 45 consecutive days from the date you begin to move it there. The personal property that is moved must be placed in a fully enclosed building or otherwise reasonably protected from the elements.

Any property removed, including a moveable home described in 11.B.6.b. and c., must be placed above ground level or outside of the special flood hazard area.

This coverage does not increase the Coverage A or Coverage B limit of liability.

#### Pollution Damage

We will pay for damage caused by pollutants to covered property if the discharge, seepage, migration, release, or escape of the pollutants is caused by or results from flood. The most we will pay under this coverage is \$10,000. This coverage does not increase the Coverage A or Coverage B limits of liability. Any payment under this provision when combined with all other payments for the same loss cannot exceed the replacement cost or actual cash value, as appropriate, of the covered property. This coverage does not include the testing for or the monitoring of pollutants unless required by law or ordinance.

#### COVERAGE D - INCREASED COST OF COMPLIANCE

##### General

This policy pays you to comply with a State or local floodplain management law or ordinance affecting repair or reconstruction of a structure suffering flood damage. Compliance activities eligible for payment are: elevation, floodproofing, relocation, or demolition (or any combination of these activities) of your structure. Eligible floodproofing activities are limited to:

- a. Nonresidential structures.
- b. Residential structures with basements that satisfy the Federal Emergency Management Agency's (FEMA's) standards published in the Code of Federal Regulations [44 CFR 60.6 (b) or (c)].

##### Limit of Liability

We will pay you up to \$30,000 under this Coverage D - Increased Cost of Compliance, which only applies to policies with building coverage (Coverage A).

Our payment of claims under Coverage D is in addition to the amount of coverage which you selected on the application and which appears on the Declarations Page. But the maximum you can collect under this policy for both Coverage A - Building Property and Coverage D - Increased Cost of Compliance cannot exceed the maximum permitted under the Act. We do not charge a separate deductible for a claim under Coverage D.

##### Eligibility

- a. A structure covered under Coverage A - Building Property sustaining a loss caused by a flood as defined by this policy must:
  - (1) Be a "repetitive loss structure." A repetitive loss structure is one that meets the following conditions:
    - (a) The structure is covered by a contract of flood insurance issued under the NFIP.
    - (b) The structure has suffered flood damage on two occasions during a 10-year period which ends on the date of the second loss.
    - (c) The cost to repair the flood damage, on average, equaled or exceeded 25 percent of the market value of the structure at the time of each flood loss.
    - (d) In addition to the current claim, the NFIP must have paid the previous qualifying claim, and the State or community must have a cumulative, substantial damage provision or repetitive loss provision in its floodplain management law or ordinance being enforced against the structure; or
  - (2) Be a structure that has had flood damage in which the cost to repair equals or exceeds 50 percent of the market value of the structure at the time of the flood. The State or community must have a substantial damage provision in its floodplain management law or ordinance being enforced against the structure.
- b. This Coverage D pays you to comply with State or local floodplain management laws or ordinances that meet the minimum standards of the National Flood Insurance Program found in the Code of Federal Regulations at 44 CFR 60.3. We pay for compliance activities that exceed those standards under these conditions:
  - (1) 3.a.(1) above.
  - (2) Elevation or floodproofing in any risk zone to preliminary or advisory base flood elevations provided by FEMA which the State or local government has adopted and is enforcing for flood-damaged structures in such areas. (This includes

compliance activities in B, C, X, or D zones which are being changed to zones with base flood elevations. This also includes compliance activities in zones where base flood elevations are being increased, and a flood-damaged structure must comply with the higher advisory base flood elevation.) Increased Cost of Compliance coverage does not apply to situations in B, C, X, or D zones where the community has derived its own elevations and is enforcing elevation or floodproofing requirements for flood-damaged structures to elevations derived solely by the community.

- (3) Elevation or floodproofing above the base flood elevation to meet State or local "freeboard" requirements, i.e., that a structure must be elevated above the base flood elevation.
  - c. Under the minimum NFIP criteria at 44 CFR 60.3 (b)(4), States and communities must require the elevation or floodproofing of structures in unnumbered A zones to the base flood elevation where elevation data is obtained from a Federal, State, or other source. Such compliance activities are also eligible for Coverage D.
  - d. This coverage will also pay for the incremental cost, after demolition or relocation, of elevating or floodproofing a structure during its rebuilding at the same or another site to meet State or local floodplain management laws or ordinances, subject to Exclusion D.5.g. below.
  - e. This coverage will also pay to bring a flood-damaged structure into compliance with State or local floodplain management laws or ordinances even if the structure had received a variance before the present loss from the applicable floodplain management requirements.
4. Conditions
- a. When a structure covered under Coverage A - Building Property sustains a loss caused by a flood, our payment for the loss under this Coverage D will be for the increased cost to elevate, floodproof, relocate, or demolish (or any combination of these activities) caused by the enforcement of current State or local floodplain management ordinances or laws. Our payment for eligible demolition activities will be for the cost to demolish and clear the site of the building debris or a portion thereof caused by the enforcement of current State or local floodplain management ordinances or laws. Eligible activities for the cost of clearing the site will include those necessary to discontinue utility service to the site and ensure proper abandonment of on-site utilities.
  - b. When the building is repaired or rebuilt, it must be intended for the same occupancy as the present building unless otherwise required by current floodplain management ordinances or laws.
5. Exclusions
- Under this Coverage D - Increased Cost of Compliance we will not pay for:
- a. The cost to comply with any floodplain management law or ordinance in communities participating in the Emergency Program.
  - b. The cost associated with enforcement of any ordinance or law that requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of pollutants.
  - c. The loss in value to any insured building or other structure due to the requirements of any ordinance or law.
  - d. The loss in residual value of the undamaged portion of a building demolished as a consequence of enforcement of any State or local floodplain management law or ordinance.
  - e. Any Increased Cost of Compliance under this Coverage D:
    - (1) Until the building is elevated, floodproofed, demolished, or relocated on the same or to another premises; and
    - (2) Unless the building is elevated, flood-proofed, demolished, or relocated as soon as reasonably possible after the loss, not to exceed 2 years.
  - f. Any code upgrade requirements, e. g., plumbing or electrical wiring, not specifically related to the State or local floodplain management law or ordinance.
  - g. Any compliance activities needed to bring additions or improvements made after the loss occurred into compliance with State or local floodplain management laws or ordinances.
  - h. Loss due to any ordinance or law that you were required to comply with before the current loss.

- i. Any rebuilding activity to standards that do not meet the NFIP's minimum requirements. This includes any situation where the insured has received from the State or community a variance in connection with the current flood loss to rebuild the property to an elevation below the base flood elevation.
- j. Increased Cost of Compliance for a garage or carport.
- k. Any structure insured under an NFIP Group Flood Insurance Policy.
- l. Assessments made by a condominium association on individual condominium unit owners to pay increased costs of repairing commonly owned buildings after a flood in compliance with State or local floodplain management ordinances or laws.

#### 6. Other Provisions

All other conditions and provisions of this policy apply.

#### IV. PROPERTY NOT COVERED

We do not cover any of the following property:

1. Personal property not inside the fully enclosed building;
2. A building, and personal property in it, located entirely in, on, or over water or seaward of mean high tide, if it was constructed or substantially improved after September 30, 1982;
3. Open structures, including a building used as a boathouse or any structure or building into which boats are floated, and personal property located in, on, or over water;
4. Recreational vehicles other than travel trailers described in II.B.6.c., whether affixed to a permanent foundation or on wheels;
5. Self-propelled vehicles or machines, including their parts and equipment. However, we do cover self-propelled vehicles or machines not licensed for use on public roads that are:
  - a. Used mainly to service the described location; or
  - b. Designed and used to assist handicapped persons,
 while the vehicles or machines are inside a building at the described location;
6. Land, land values, lawns, trees, shrubs, plants, growing crops, or animals;
7. Accounts, bills, coins, currency, deeds, evidences of debt, medals, money, scrip, stored value cards, postage stamps, securities, bullion, manuscripts, or other valuable papers;
8. Underground structures and equipment, including wells, septic tanks, and septic systems;
9. Those portions of walks, walkways, decks, driveways, patios, and other surfaces, all whether protected by a roof or not, located outside the perimeter, exterior walls of the insured building;
10. Containers, including related equipment, such as, but not limited to, tanks containing gases or liquids;
11. Buildings or units and all their contents if more than 49 percent of the actual cash value of the building or unit is below ground, unless the lowest level is at or above the base flood elevation and is below ground by reason of earth having been used as insulation material in conjunction with energy efficient building techniques;
12. Fences, retaining walls, seawalls, bulkheads, wharves, piers, bridges, and docks;
13. Aircraft or watercraft, or their furnishings and equipment;
14. Hot tubs and spas that are not bathroom fixtures, and swimming pools, and their equipment such as, but not limited to, heaters, filters, pumps, and pipes, wherever located;
15. Property not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act and the Coastal Barrier Improvement Act of 1990 and amendments to these acts;

16. Personal property owned by or in the care, custody, or control of a unit owner, except for property of the type and under the circumstances set forth under Coverage B - Personal Property;
17. A residential condominium building located in a Regular Program community.

#### V. EXCLUSIONS

- A. We only provide coverage for direct physical loss by or from flood, which means that we do not pay you for:
  1. Loss of revenue or profits;
  2. Loss of access to the insured property or described location;
  3. Loss of use of the insured property or described location;
  4. Loss from interruption of business or production;
  5. Any additional living expenses incurred while the insured building is being repaired or is unable to be occupied for any reason;
  6. The cost of complying with any ordinance or law requiring or regulating the construction, demolition, remodeling, renovation, or repair of property, including removal of any resulting debris. This exclusion does not apply to any eligible activities that we describe in Coverage D - Increased Cost of Compliance; or
  7. Any other economic loss.

- B. We do not insure a loss directly or indirectly caused by a flood that is already in progress at the date and time:

1. The policy term begins; or
2. Coverage is added at your request.

- C. We do not insure for loss to property caused directly by earth movement even if the earth movement is caused by flood. Some examples of earth movement that we do not cover are:

1. Earthquake;
2. Landslide;
3. Land subsidence;
4. Sinkholes;
5. Destabilization or movement of land that results from accumulation of water in subsurface land areas; or
6. Gradual erosion.

We do, however, pay for losses from mudflow and land subsidence as a result of erosion that are specifically covered under our definition of flood (see II.A.1.c. and II.A.2.).

- D. We do not insure for direct physical loss caused directly or indirectly by:
  1. The pressure or weight of ice;
  2. Freezing or thawing;
  3. Rain, snow, sleet, hail, or water spray;
  4. Water, moisture, mildew, or mold damage that results primarily from any condition:

- a. Substantially confined to the insured building; or
- b. That is within your control including, but not limited to:
  - (1) Design, structural, or mechanical defects;
  - (2) Failure, stoppage, or breakage of water or sewer lines, drains, pumps, fixtures, or equipment; or
  - (3) Failure to inspect and maintain the property after a flood recedes;

5. Water or waterborne material that:
  - a. Backs up through sewers or drains;
  - b. Discharges or overflows from a sump, sump pump, or related equipment; or
  - c. Seeps or leaks on or through insured property;

unless there is a flood in the area and the flood is the proximate cause of the sewer or drain backup, sump pump discharge or overflow, or the seepage of water;

6. The pressure or weight of water unless there is a flood in the area and the flood is the proximate cause of the damage from the pressure or weight of water;
7. Power, heating, or cooling failure unless the failure results from direct physical loss by or from flood to power, heating, or cooling equipment situated on the described location;
8. Theft, fire, explosion, wind, or windstorm;

9. Anything you or your agent do or conspire to do to cause loss by flood deliberately; or
10. Alteration of the insured property that significantly increases the risk of flooding.
- E. We do not insure for loss to any building or personal property located on land leased from the Federal Government, arising from or incident to the flooding of the land by the Federal Government, where the lease expressly holds the Federal Government harmless under flood insurance issued under any Federal Government program.

#### VI. DEDUCTIBLES

- A. When a loss is covered under this policy, we will pay only that part of the loss that exceeds the applicable deductible amount, subject to the limit of liability that applies. The deductible amount is shown on the Declarations Page.

However, when a building under construction, alteration, or repair does not have at least two rigid exterior walls and a fully secured roof at the time of loss, your deductible amount will be two times the deductible that would otherwise apply to a completed building.

- B. In each loss from flood, separate deductibles apply to the building and personal property insured by this policy.
- C. No deductible applies to:
  1. III.C.2. Loss Avoidance Measures; or
  2. III.D. Increased Cost of Compliance.

#### VII. GENERAL CONDITIONS

##### A. Pairs and Sets

In case of loss to an article that is part of a pair or set, we will have the option of paying you:

1. An amount equal to the cost of replacing the lost, damaged, or destroyed article, less depreciation; or
2. An amount that represents the fair proportion of the total value of the pair or set that the lost, damaged, or destroyed article bears to the pair or set.

##### B. Concealment or Fraud and Policy Voidance

1. With respect to all insureds under this policy, this policy:
  - a. Is void;
  - b. Has no legal force or effect;
  - c. Cannot be renewed; and
  - d. Cannot be replaced by a new NFIP policy;

if, before or after a loss, you or any other insured or your agent have at any time:

- (1) Intentionally concealed or misrepresented any material fact or circumstance;
- (2) Engaged in fraudulent conduct; or
- (3) Made false statements;

relating to this policy or any other NFIP insurance.

2. This policy will be void as of the date the wrongful acts described in B.1. above were committed.
3. Fines, civil penalties, and imprisonment under applicable Federal laws may also apply to the acts of fraud or concealment described above.
4. This policy is also void for reasons other than fraud, misrepresentation, or wrongful act. This policy is void from its inception and has no legal force under the following conditions:
  - a. If the property is located in a community that was not participating in the NFIP on the policy's inception date and did not join or reenter the program during the policy term and before the loss occurred; or
  - b. If the property listed on the application is otherwise not eligible for coverage under the NFIP.
- C. Other Insurance
  1. If a loss covered by this policy is also covered by other insurance that includes flood coverage not issued under the Act, we will not pay more

than the amount of insurance that you are entitled to for lost, damaged, or destroyed property insured under this policy subject to the following:

- a. We will pay only the proportion of the loss that the amount of insurance that applies under this policy bears to the total amount of insurance covering the loss, unless C.1.b. or c. immediately below applies.
- b. If the other policy has a provision stating that it is excess insurance, this policy will be primary.
- c. This policy will be primary (but subject to its own deductible) up to the deductible in the other flood policy (except another policy as described in C.1.b. above). When the other deductible amount is reached, this policy will participate in the same proportion that the amount of insurance under this policy bears to the total amount of both policies, for the remainder of the loss.

2. If this policy covers a condominium association and there is a flood insurance policy in the name of a unit owner that covers the same loss as this policy, then this policy will be primary.

##### D. Amendments, Waivers, Assignment

This policy cannot be changed nor can any of its provisions be waived without the express written consent of the Federal Insurance Administrator. No action that we take under the terms of this policy can constitute a waiver of any of our rights. You may assign this policy in writing when you transfer title of your property to someone else, except under these conditions:

1. When this policy covers only personal property; or
2. When this policy covers a structure during the course of construction.

##### E. Cancellation of Policy by You

1. You may cancel this policy in accordance with the applicable rules and regulations of the NFIP.
2. If you cancel this policy, you may be entitled to a full or partial refund of premium also under the applicable rules and regulations of the NFIP.

##### F. Nonrenewal of the Policy by Us

Your policy will not be renewed:

1. If the community where your covered property is located stops participating in the NFIP; or
2. If your building has been declared ineligible under Section 1316 of the Act.

##### G. Reduction and Reformation of Coverage

1. If the premium we received from you was not enough to buy the kind and amount of coverage you requested, we will provide only the amount of coverage that can be purchased for the premium payment we received.
2. The policy can be reformed to increase the amount of coverage resulting from the reduction described in G.1. above to the amount you requested as follows:
  - a. Discovery of insufficient premium or incomplete rating information before a loss.
    - (1) If we discover before you have a flood loss that your premium payment was not enough to buy the requested amount of coverage, we will send you and any mortgagee or trustee known to us a bill for the required additional premium for the current policy term (or that portion of the current policy term following any endorsement changing the amount of coverage). If you or the mortgagee or trustee pay the additional premium within 30 days from the date of our bill, we will reform the policy to increase the amount of coverage to the originally requested amount effective to the beginning of the current policy term (or subsequent date of any endorsement changing the amount of coverage).
    - (2) If we determine before you have a flood loss that the rating information we have is incomplete and prevents us from calculating the additional premium, we will ask you to send the required information. You must submit the information within 60 days of our request. Once we determine the amount of additional premium for the current policy term, we will follow the procedure in G.2.a.(1) above.
    - (3) If we do not receive the additional premium (or additional information) by the date it is due, the amount of coverage can only be increased by endorsement subject to any appropriate waiting period.

- b. Discovery of insufficient premium or incomplete rating information after a loss.
  - (1) If we discover after you have a flood loss that your premium payment was not enough to buy the requested amount of coverage, we will send you and any mortgagee or trustee known to us a bill for the required additional premium for the current and the prior policy terms. If you or the mortgagee or trustee pay the additional premium within 30 days from the date of our bill, we will reform the policy to increase the amount of coverage to the originally requested amount effective to the beginning of the prior policy term.
  - (2) If we discover after you have a flood loss that the rating information we have is incomplete and prevents us from calculating the additional premium, we will ask you to send the required information. You must submit the information before your claim can be paid. Once we determine the amount of additional premium for the current and prior policy terms, we will follow the procedure in G.2.b.(1) above.
  - (3) If we do not receive the additional premium by the date it is due, your flood insurance claim will be settled based on the reduced amount of coverage. The amount of coverage can only be increased by endorsement subject to any appropriate waiting period.
3. However, if we find that you or your agent intentionally did not tell us, or falsified, any important fact or circumstance or did anything fraudulent relating to this insurance, the provisions of Condition B. Concealment or Fraud and Policy Voidance apply.
- H. Policy Renewal
  1. This policy will expire at 12:01 a.m. on the last day of the policy term.
  2. We must receive the payment of the appropriate renewal premium within 30 days of the expiration date.
  3. If we find, however, that we did not place your renewal notice into the U.S. Postal Service, or if we did mail it, we made a mistake, e.g., we used an incorrect, incomplete, or illegible address, which delayed its delivery to you before the due date for the renewal premium, then we will follow these procedures:
    - a. If you or your agent notified us, not later than one year after the date on which the payment of the renewal premium was due, of nonreceipt of a renewal notice before the due date for the renewal premium, and we determine that the circumstances in the preceding paragraph apply, we will mail a second bill providing a revised due date, which will be 30 days after the date on which the bill is mailed.
    - b. If we do not receive the premium requested in the second bill by the revised due date, then we will not renew the policy. In that case, the policy will remain an expired policy as of the expiration date shown on the Declarations Page.
  4. In connection with the renewal of this policy, we may ask you during the policy term to recertify, on a Recertification Questionnaire that we will provide to you, the rating information used to rate your most recent application for or renewal of insurance.
  - I. Conditions Suspending or Restricting Insurance
 

We are not liable for loss that occurs while there is a hazard that is increased by any means within your control or knowledge.
  - J. Requirements in Case of Loss
 

In case of a flood loss to insured property, you must:

    1. Give prompt written notice to us;
    2. As soon as reasonably possible, separate the damaged and undamaged property, putting it in the best possible order so that we may examine it;
    3. Prepare an inventory of damaged property showing the quantity, description, actual cash value, and amount of loss. Attach all bills, receipts, and related documents;
    4. Within 60 days after the loss, send us a proof of loss, which is your statement of the amount you are claiming under the policy signed and sworn to by you, and which furnishes us with the following information:
      - a. The date and time of loss;
      - b. A brief explanation of how the loss happened;
- c. Your interest (for example, "owner") and the interest, if any, of others in the damaged property;
- d. Details of any other insurance that may cover the loss;
- e. Changes in title or occupancy of the insured property during the term of the policy;
- f. Specifications of damaged buildings and detailed repair estimates;
- g. Names of mortgagees or anyone else having a lien, charge, or claim against the insured property;
- h. Details about who occupied any insured building at the time of loss and for what purpose; and
- i. The inventory of damaged property described in J.3. above.
5. In completing the proof of loss, you must use your own judgment concerning the amount of loss and justify that amount.
6. You must cooperate with the adjuster or representative in the investigation of the claim.
7. The insurance adjuster whom we hire to investigate your claim may furnish you with a proof of loss form, and she or he may help you complete it. However, this is a matter of courtesy only, and you must still send us a proof of loss within 60 days after the loss even if the adjuster does not furnish the form or help you complete it.
8. We have not authorized the adjuster to approve or disapprove claims or to tell you whether we will approve your claim.
9. At our option, we may accept the adjuster's report of the loss instead of your proof of loss. The adjuster's report will include information about your loss and the damages you sustained. You must sign the adjuster's report. At our option, we may require you to swear to the report.
- K. Our Options After a Loss
 

Options we may, in our sole discretion, exercise after loss include the following:

  1. At such reasonable times and places that we may designate, you must:
    - a. Show us or our representative the damaged property;
    - b. Submit to examination under oath, while not in the presence of another insured, and sign the same; and
    - c. Permit us to examine and make extracts and copies of:
      - (1) Any policies of property insurance insuring you against loss and the deed establishing your ownership of the insured real property;
      - (2) Condominium association documents including the Declarations of the condominium, its Articles of Association or Incorporation, Bylaws, and rules and regulations; and
      - (3) All books of accounts, bills, invoices and other vouchers, or certified copies pertaining to the damaged property if the originals are lost.
  2. We may request, in writing, that you furnish us with a complete inventory of the lost, damaged, or destroyed property, including:
    - a. Quantities and costs;
    - b. Actual cash values;
    - c. Amounts of loss claimed;
    - d. Any written plans and specifications for repair of the damaged property that you can reasonably make available to us; and
    - e. Evidence that prior flood damage has been repaired.
  3. If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may:
    - a. Repair, rebuild, or replace any part of the lost, damaged, or destroyed property with material or property of like kind and quality or its functional equivalent; and
    - b. Take all or any part of the damaged property at the value we agree upon or its appraised value.
- L. No Benefit to Bailee
 

No person or organization, other than you, having custody of covered property will benefit from this insurance.
- M. Loss Payment
  1. We will adjust all losses with you. We will pay you unless some other person or entity is named in the policy or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss (or within 90 days after the insurance adjuster files an adjuster's report signed and sworn to by you in lieu of a proof of loss) and:
    - a. We reach an agreement with you;

- b. There is an entry of a final judgment; or
- c. There is a filing of an appraisal award with us, as provided in VII.P.

2. If we reject your proof of loss in whole or in part you may:
- a. Accept such denial of your claim;
  - b. Exercise your rights under this policy; or
  - c. File an amended proof of loss, as long as it is filed within 60 days of the date of the loss.

#### N. Abandonment

You may not abandon damaged or undamaged insured property to us.

#### O. Salvage

We may permit you to keep damaged insured property after a loss, and we will reduce the amount of the loss proceeds payable to you under the policy by the value of the salvage.

#### P. Appraisal

If you and we fail to agree on the actual cash value of the damaged property so as to determine the amount of loss, either may demand an appraisal of the loss. In this event, you and we will each choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the State where the insured property is located. The appraisers will separately state the actual cash value and the amount of loss to each item. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of actual cash value and loss.

Each party will:

- 1. Pay its own appraiser; and
- 2. Bear the other expenses of the appraisal and umpire equally.

#### Q. Mortgage Clause

The word "mortgagee" includes trustee.

Any loss payable under Coverage A - Building Property will be paid to any mortgagee of whom we have actual notice as well as any other mortgagee or loss payee determined to exist at the time of loss, and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

- 1. Notifies us of any change in the ownership or occupancy, or substantial change in risk of which the mortgagee is aware;
- 2. Pays any premium due under this policy on demand if you have neglected to pay the premium; and
- 3. Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so.

All of the terms of this policy apply to the mortgagee.

The mortgagee has the right to receive loss payment even if the mortgagee has started foreclosure or similar action on the building.

If we decide to cancel or not renew this policy, it will continue in effect for the benefit of the mortgagee only for 30 days after we notify the mortgagee of the cancellation or nonrenewal.

If we pay the mortgagee for any loss and deny payment to you, we are subrogated to all the rights of the mortgagee granted under the mortgage on the property. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

#### R. Suit Against Us

You may not sue us to recover money under this policy unless you have complied with all the requirements of the policy. If you do sue, you must start the suit within one year of the date of the written denial of all or part of the claim, and you must file the suit in the United States District Court of the district in which the insured property was located at the time of loss. This

requirement applies to any claim that you may have under this policy and to any dispute that you may have arising out of the handling of any claim under the policy.

#### S. Subrogation

Whenever we make a payment for a loss under this policy, we are subrogated to your right to recover for that loss from any other person. That means that your right to recover for a loss that was partly or totally caused by someone else is automatically transferred to us, to the extent that we have paid you for the loss. We may require you to acknowledge this transfer in writing. After the loss, you may not give up our right to recover this money or do anything that would prevent us from recovering it. If you make any claim against any person who caused your loss and recover any money, you must pay us back first before you may keep any of that money.

#### T. Continuous Lake Flooding

- 1. If your insured building has been flooded by rising lake waters continuously for 90 days or more and it appears reasonably certain that a continuation of this flooding will result in a covered loss to the insured building equal to or greater than the building policy limits plus the deductible or the maximum payable under the policy for any one building loss, we will pay you the lesser of these two amounts without waiting for the further damage to occur if you sign a release agreeing:
  - a. To make no further claim under this policy;
  - b. Not to seek renewal of this policy;
  - c. Not to apply for any flood insurance under the Act for property at the described location; and
  - d. Not to seek a premium refund for current or prior terms.

If the policy term ends before the insured building has been flooded continuously for 90 days, the provisions of this paragraph T.1. will apply when the insured building suffers a covered loss before the policy term ends.

- 2. If your insured building is subject to continuous lake flooding from a closed basin lake, you may elect to file a claim under either paragraph T.1. above or this paragraph T.2. (A "closed basin lake" is a natural lake from which water leaves primarily through evaporation and whose surface area now exceeds or has exceeded one square mile at any time in the recorded past. Most of the nation's closed basin lakes are in the western half of the United States, where annual evaporation exceeds annual precipitation and where lake levels and surface areas are subject to considerable fluctuation due to wide variations in the climate. These lakes may overtop their basins on rare occasions.) Under this paragraph T.2. we will pay your claim as if the building is a total loss even though it has not been continuously inundated for 90 days, subject to the following conditions:
  - a. Lake flood waters must damage or imminently threaten to damage your building.
  - b. Before approval of your claim, you must:
    - (1) Agree to a claim payment that reflects your buying back the salvage on a negotiated basis; and
    - (2) Grant the conservation easement described in FEMA's "Policy Guidance for Closed Basin Lakes," to be recorded in the office of the local recorder of deeds. FEMA, in consultation with the community in which the property is located, will identify on a map an area or areas of special consideration (ASC) in which there is a potential for flood damage from continuous lake flooding. FEMA will give the community the agreed-upon map showing the ASC. This easement will only apply to that portion of the property in the ASC. It will allow certain agricultural and recreational uses of the land. The only structures that it will allow on any portion of the property within the ASC are certain simple agricultural and recreational structures. If any of these allowable structures are insurable buildings under the NFIP and are insured under the NFIP, they will not be eligible for the benefits of this paragraph T.2. If a U.S. Army Corps of Engineers certified flood control project or otherwise certified flood control project later protects the property, FEMA will, upon request, amend the ASC to remove areas protected by those projects. The restrictions of the easement will then no longer apply to any portion of the property removed from the ASC; and
    - (3) Comply with paragraphs T.1.a. through T.1.d. above.
  - c. Within 90 days of approval of your claim, you must move your building to a new location outside the ASC. FEMA will give you an additional 30 days to move if you show that there is sufficient reason to extend the time.

- d. Before the final payment of your claim, you must acquire an elevation certificate and a floodplain development permit from the local floodplain administrator for the new location of your building.
  - e. Before the approval of your claim, the community having jurisdiction over your building must:
    - (1) Adopt a permanent land use ordinance, or a temporary moratorium for a period not to exceed 6 months to be followed immediately by a permanent land use ordinance, that is consistent with the provisions specified for the easement required in paragraph T.2.b. above;
    - (2) Agree to declare and report any violations of this ordinance to FEMA so that under Section 1316 of the National Flood Insurance Act of 1968, as amended, flood insurance to the building can be denied; and
    - (3) Agree to maintain as deed-restricted, for purposes compatible with open space or agricultural or recreational use only, any affected property the community acquires an interest in. These deed restrictions must be consistent with the provisions of paragraph T.2.b. above, except that, even if a certified project protects the property, the land use restrictions continue to apply if the property was acquired under the Hazard Mitigation Grant Program or the Flood Mitigation Assistance Program. If a nonprofit land trust organization receives the property as a donation, that organization must maintain the property as deed-restricted, consistent with the provisions of paragraph T.2.b. above.
  - f. Before the approval of your claim, the affected State must take all action set forth in FEMA's "Policy Guidance for Closed Basin Lakes."
  - g. You must have NFIP flood insurance coverage continuously in effect from a date established by FEMA until you file a claim under this paragraph T.2. If a subsequent owner buys NFIP insurance that goes into effect within 60 days of the date of transfer of title, any gap in coverage during that 60-day period will not be a violation of this continuous coverage requirement. For the purpose of honoring a claim under this paragraph T.2., we will not consider to be in effect any increased coverage that became effective after the date established by FEMA. The exception to this is any increased coverage in the amount suggested by your insurer as an inflation adjustment.
  - h. This paragraph T.2. will be in effect for a community when the FEMA Regional Director for the affected region provides to the community, in writing, the following:
    - (1) Confirmation that the community and the State are in compliance with the conditions in paragraphs T.2.e. and T.2.f. above; and
    - (2) The date by which you must have flood insurance in effect.
- U. Duplicate Policies Not Allowed**
1. We will not insure your property under more than one NFIP policy.
- If we find that the duplication was not knowingly created, we will give you written notice. The notice will advise you that you may choose one of several options under the following procedures:
- a. If you choose to keep in effect the policy with the earlier effective date, you may also choose to add the coverage limits of the later policy to the limits of the earlier policy. The change will become effective as of the effective date of the later policy.
  - b. If you choose to keep in effect the policy with the later effective date, you may also choose to add the coverage limits of the earlier policy to the limits of the later policy. The change will be effective as of the effective date of the later policy.
- In either case, you must pay the pro rata premium for the increased coverage limits within 30 days of the written notice. In no event will the resulting coverage limits exceed the permissible limits of coverage under the Act or your insurable interest, whichever is less.
- We will make a refund to you, according to applicable NFIP rules, of the premium for the policy not being kept in effect.
2. The insured's option under this Condition U. Duplicate Policies Not Allowed to elect which NFIP policy to keep in effect does not apply when duplicates have been knowingly created. Losses occurring under such circumstances will be adjusted according to the terms and conditions of the earlier policy. The policy with the later effective date must be canceled.

#### V. Loss Settlement

We will pay the least of the following amounts after application of the deductible:

1. The applicable amount of insurance under this policy;
2. The actual cash value; or
3. The amount it would cost to repair or replace the property with material of like kind and quality within a reasonable time after the loss.

#### VIII. LIBERALIZATION CLAUSE

If we make a change that broadens your coverage under this edition of our policy, but does not require any additional premium, then that change will automatically apply to your insurance as of the date we implement the change, provided that this implementation date falls within 60 days before, or during, the policy term stated on the Declarations Page.

#### IX. WHAT LAW GOVERNS

This policy and all disputes arising from the handling of any claim under the policy are governed exclusively by the flood insurance regulations issued by FEMA, the National Flood Insurance Act of 1968, as amended (42 U.S.C. 4001, et seq.), and Federal common law.

IN WITNESS WHEREOF, we have signed this policy below and hereby enter into this Insurance Agreement.

**THIS ENDORSEMENT CHANGES THE POLICY.  
PLEASE READ CAREFULLY.**

#### STANDARD FLOOD INSURANCE POLICY

##### ENDORSEMENT NUMBER ONE

This endorsement replaces the provisions of VII.B.4 and VII.H.2 of the Dwelling and General Property Forms, and also adds a new VII.H.5. It also replaces the provisions of VIII.B.4 and VIII.H.2 of the Residential Condominium Building Association Policy, and adds a new VIII.H.5.

This endorsement applies only in Monroe County and the Village of Islamorada, Florida.

**VII.B.4 and VIII.B.4.** This policy is also void for reasons other than fraud, misrepresentation, or wrongful act. This policy is void from its inception and has no legal force under the following conditions:

- a. If the property is located in a community that was not participating in the NFIP on the policy's inception date and did not join or re-enter the program during the policy term and before the loss occurred.
- b. If you have not submitted a community inspection report, referred to in "H. Policy Renewal" below, that was required in a notice sent to you in conjunction with the community inspection procedure established under 44 CFR 59.30.

If the property listed on the application is not otherwise eligible for coverage under the NFIP.

**VII.H.2 and VIII.H.2.** We must receive the payment of the appropriate renewal premium and when applicable, the community inspection report referred to in paragraph H.5 below within 30 days of the expiration date.

**VII.H.5 and VIII.H.5.** Your community has been approved by the Federal Emergency Management Agency to participate in an inspection procedure set forth in National Flood Insurance Program Regulations (44 CFR 59.30). During the several years this inspection procedure will be in place, you may be required to obtain and submit an inspection report from your community certifying whether or not your insured property is in compliance with the community's floodplain management ordinance before you can renew your policy. You will be notified in writing of this requirement approximately 6 months before a renewal date and again at the time your renewal bill is sent.
